2 Subject -(Clause v of the Schedule)

First Councillor's D O dated 14th June 1912 making certain recommendations on behalf of Messrs C Krishna Row and S Krishnaswamiengar

Opinion of the Council

In special recognition of the good work done by Mr C Krishna Row both as Head Master of the Bangalore High School and as Secretary to the Education Committee of the Economic Conference, he may be promoted to the AII (400-50-700) class of Educational officers and started on a pay of Rs 600 in the class He may be posted as Circle Inspector in place of Mr Venkatasubbaiah Naidu who is now on leave and is not likely to return and who even if he returns, is not expected to be up to mark and may have again to be sent before a Medical Board for examination

As regards Mr S Krishnaswamiengar, considering that he has been drawing Rs 300/- as emoluments for some time and that he has been recommended for promotion both by Mr Weir and also by the First Councillor (who was in charge of the office of Inspector General of Education after Mr Weir's death), the Council is of opinion that he may be promoted to the CII class with a starting pay of Rs 225 in the class, and that he may be given a personal allowance of Rs 50 as also a local allowance of Rs 50

GPB—1000 13 5 08

The Council is further of opinion that the cases of essrs M Krishniengar and V Subramania Iyer deserve avourable consideration and that in view of the good work one by these officers, they may be also promoted to the II class and started on Rs 225 in the class. Mr Subramania Iyer may also be given a local allowance of Rs 75 for eing in charge of the Bangalore High School

As the question of revising the scale of Educational officers is likely to take some time to be decided, and as it is not desirable to delay the promotion of the above deserving officers till the question is settled, the Council is of opinion that the promotions above proposed may be sanctioned, pending the revision of the scale

GOVERNMENT OF MYSORE

W Preston Esq

15 July 1912

My dear Sir

On further consideration of the subject of posting Mr C Krishna Rau, I have come to the conclusion that it is quite desirable to post him as a Special Officer (Assistant to the D.G of Edn.) for carrying out the business of Expansion of Education according to the programme submitted by

the ~~Eda~~ Economic Conference. I am informed that in Madras they have placed Mr Stone on special duty for a similar purpose, and the amount that has been devoted for the purpose there is less than double what we have proposed in our budget. I had a personal discussion with Mr. Shanmukham, and he seemed to think that such a step would go a great way to the successful utilisation of the resources

so readily made available by Govt

I would therefore propose that Mr C. Krishna Rau instead of being made a Circle Inspector be placed on special duty to assist the Insp^r General ~~of~~ to organise additional Schools. He will also continue to be Secretary of the Edn Committee the promotion recommended may be given to him with effect from 1st July 1912

I beg to remain

Yours Sincerely

H Mayavaram

In the case of four officers of the Educational department I is proposed to give promotions to higher grades (+ Some allowances) pending the revision of the scale of other Educational officers

department whose Scale is fixed. ~~In the~~ when the scale is fixed, the first condition to be satisfied before promoting an officer to a higher grade is the existence of a vacancy in such a grade Similarly when there is no scale fixed a promotion to a higher grade is financially admissible only when an officer in the higher grade ceases to be in service ~~by other~~ in consequence of retirement etc and his posting to that grade was not a special one based on personal grounds (which would not hold in the case of another) The principle underlying the above statements is that ~~the~~ the Govt should not be put to Extra Cost by giving promotion to any officer

over the sanctioned or existing scale MR 24/7/47

This condition is absent in all the four cases ~~which~~ they will be now examined in greater detail

and the proposals are therefore not ~~financially~~ admissible under the rules

intended for a Professorship in a College and Mr Krishna Rau not being such cannot be appointed to that Grade Mr Venkatasami Naidu was as a special case, appointed to that Grade in consideration of his having been a Professor for a long time and the Govt have specially declared that the Grade as personal in this case -

The reasons given for Mr Krishna Rau's preferring for promotion are the following

(1) Recognition of good work done as Hd Master and Secy of the Economic Conference (Edn Committee)

(2) Being placed on special duty for organizing additional Schools and the 2 lakhs granted by Govt

As to be stated that the first reason No (1) is not a reason to give promotion when there is no vacancy in the higher Grade for No (2) of Govt are satisfied that additional work and responsibility are involved in the special duty the article 55 of the MSR allows them to grant the deputation allowance of 1/5 of

Proposed pay 225 in grade (210-15-300)

In this case ~~also~~ also the promotion ~~should~~ should be obtainable as there is no vacancy in the higher grade But as noted by Mr Lakshmi Narasimha Rao, ons 3 12 in the linked file No 186-11 the financial ~~effect does not~~ increase involved is very little and the fund deficit would not affect - In this file it has been ordered by HH that ~~the~~ this case may be over till the whole question of revision of scales is decided" but now this proposal is made on the ground that revising the scale is likely to take some time and it is not desirable to delay the promotion of these officers

M V S K Jr Asst is now getting Emoluments = Rs 300
If the proposal is agreed he will draw at 325 but he has to continue on this for 4 years During the 5th fifth year he will get 335 i.e. 2 10 Rs more and 350 in the 6th year

It is thus seen that the proposal will give only a small increase of 25 Rs now and nothing at all for 4 years & some- ~~it will not~~ The revision of the Scale will ~~not~~ ~~I think~~ take a longer time than this and perhaps ~~Only~~ a small promotion ~~of~~ this Officer when it involves an infringement of the financial rules maybe perhaps allowed but ~~over~~ for the revision of the Scales Sanctioned, as ~~asked~~ by ~~H.H.~~ from the case of Mr Krishna Rau, there is not a decided increase and ~~the small increase of pay~~ ~~very material of the small increase~~ ~~provided~~ the necessity to grant this small increase at once is not quite apparent

~~H.H.~~ To give these Officers promotions without violating any financial rules Each of promotions will present themselves when Messrs Malhara Rau & Raghunath Rau, who are shortly to retire, are actually retired for the first ~~was~~ ~~I want~~ to fill the general revision is effected but may give the promotion other Vacancies occurring (without

It is high time we made up our minds about C Krishna Rao - The other cases will have to be met till the general scheme is ready - As regards C Krishna Rao his services will be valuable I suppose in Carrying out the programme of Education - Leave which is urgent as more than a month of the financial year has already passed away - The question is whether he should be placed on special duty, when the opportunities available to a Circle Inspector by placing him as Substitute for Executive Engineer The former course seems preferable

To everything that is proposed some sort of plausible objection might be raised The Financial Secretary's objections are not formidable, and I think that Government should when a question has received the fullest consideration be able to overrule them

The Retrenchment Committee was not likely to get through the work of general reorganisation of Ed grades, and as the scheme submitted did not promise any saving of expenditure I (with the informal permission of Govr) withdrew it & referred it for Govr to the I G F Con I believe he has been working at it but it is not likely to be ready soon None of the proposals now made

In the case of the Head Master of the Bangalore High School the personal &c allce proposed is absolutely necessary as he has charge of a very large & important institution Krishnarajendra (H.S. Master of Junkun school) is 2nd in the list above Subramanyaiyer, and as he has been doing well as H.S. Master his promotion cannot be postponed

In Mr Krishnaswamaiya's case the Pl Deptt Consider that the promotion proposed is merely nominal

Edu file 101 of 1912-13 9 20

Submitted to His Highness

The accompanying papers relate to a proposal to place Mr C Krishna Rao B A ,on special duty to help the Inspector General of Education in carrying out the programme of extension of Primary education Mr Krishna Rao is now Secretary to the Education Committee of the Economic Conference and is in full possession of all the data on which that Committee recommended extension of education and on which the Government have sanctioned the liberal grants of funds in the Budget for 1912-13

2 Consequent upon the privilege leave granted to Mr T P Venkataswami Naidu, Inspector of Schools, Bangalore Circle (pay Rs 700), with a prospect of considerable extension of leave of absence, if not of retirement altogether, the Council resolved to post Mr, C Krishna Rao as Circle Inspector and to recommend him for promotion to A II class of ducational officers (Rs 400-50-700) in special recognition of the good work done by him, both as Head Master first of the Tumkur and then of the Bangalore High School and as Secretary to the Education Committee of the Economic Conference (vide extract of Council Proceedings put up)

T

3 Before effect was given to the above Resolution, the First Councillor wrote to me (vide his D O letter No 34 dated 15th July 1912) proposing, in consultation with me, to post him as a Special Assistant to the Inspector General of Education for carrying out the business of expanding education according to the programme submitted by the Economic Conference and thus helping the successful utilisation to the fullest extent of the resources so readily made available by Government The idea is that in addition to the work of organising new schools, Mr Krishna Rao remains as Secretary to the Education Committee

4 As Circle Inspector, indeed, Mr Krishna Rao could help in the way desired, but this help would be confined to his Circle and would have to share his attention along with the heavy work of Inspection which a Circle Inspector has always to accomplish It would be far more effective and satisfactory to appoint him as a whole-time officer on special duty with the Inspector General of Education

5 The Financial Department are of opinion that a Deputation Allowance of one-fifth of the pay under Article 55 of the Mysore Service Regulations, may be granted if the Government are satisfied that additional work and

responsibility would be involved in the special duty which certainly is the case

6 The posting of Mr Krishna Rao is an urgent matter as more than 2 months of the Financial year have already passed away

7 In the current year's budget a provision of two lakhs has been made, one lakh towards 'opening new schools and improving existing ones" and the other lakh towards "village school buildings" In addition to the above, an expenditure of Rs 3,81,207 is provided for in the Village School Fund Budget which also contains a provision of Rs 50,000 for village school buildings To ensure the most economic and uniform utilisation of the funds thus made available, it appears to me to be highly expedient to place an experienced officer, which Mr Krishna Rao is, in sole charge of this work

8 He has been in complete touch with the discussions and recommendations of the Committee in this direction He has also had recently opportunities to study the working of such schools in Travancore and Cochin where Elementary Education has made great advances

9 It is proposed to appoint him as a special Assistant to the Inspector General of Education for the expansion of Primary education and under the direction of

R 23

the Inspector General of Education, he will be charged with the duty of opening fresh schools and constructing new buildings wherever they are most urgently required He will also continue to be the Secretary of the Education Committee which is not likely to tax his energies to a prohibitive extent As agreed to by the Financial Department a Deputation Allowance of one-fifth of his pay viz Rs 100 may be granted to him in addition to the emoluments which he is in receipt of at present

10 Both the Councillors agree and sanction may be accorded to the deputation of Mr Krishna Rao as above prooosed
